Request for Certificate of Correction Under 37 C.F.R. 1.322

Sir:

The Applicant respectfully requests that a Certificate of Correction be entered for the subject patent to correct typographical errors occurring in the claim 4. No new matter has been added as a result of these corrections.

Specifically, in column 6, line 36, "A ball grid array IC socket as defined in wherein the contact arms are bent from a side edge of the fixing portions at a bend and extend upward from the bend." has been changed to -- A ball grid array IC socket as defined in claim 1 wherein the

contact arms are bent from a side edge of the fixing portions at a bend and extend upward from the bend -- to correct a typographical error. Entry of the attached Certificate of Correction reflecting the changes stated herein is respectfully requested.

A charge is not required for the Certificate of Correction, since the errors were incurred through the fault of the United States Patent and Trademark Office, which is clearly disclosed in the records of the United States Patent and Trademark Office.

Respectfully submitted,
